# Settling In tickets

Help your child practise their new school journey with our **NEW Settling In tickets\***.

If your child is starting Year 7 in the new school year, we're offering them the chance to practise their new journey to school with you by their side, with a complimentary **Settling In ticket**.

This gives you and your child the opportunity to:

- Learn the route before school starts
- Build confidence and get familiar with travelling by train
- Practise your family's new morning routine
- Reduce first week nerves - for parents and guardians as well as kids!

**Settling In tickets** allow one adult and one child travel for free, for one day to 'practise' - so everyone feels calm and confident on the big day.

They're ideal for induction days, transition visits and settling-in days or simply to just give it a go together.
