Through services are shown in bold type (this means you won't have to change trains). Connecting services are shown in light type. If you travel on a connecting service, change at the next station shown in bold or if you arrive on a connecting service, change at the last station shown in bold, unless a footnote advises otherwise.

Minimum connection times

All stations have a minimum connection time of 5 minutes unless stated. Doncaster 7 minutes and Sheffield 7 minutes.

Community Rail Partnerships and community groups

Some stations on this route are adopted by local community groups. For more information visit northernrailway.co.uk/community
